

LB 1035A for the first time by title. See page 699 of the Legislative Journal.)

Senator Witek has amendments to LB 511 to be printed. Agriculture Committee reports LB 770 indefinitely postponed, and LB 950 indefinitely postponed. Those are signed by Senator Dierks. And Senator Ashford would move to place LB 1018 on General File notwithstanding the action of the Judiciary Committee. That will be laid over. That's all that I have, Madam President. (See page 700 of the Legislative Journal.)

PRESIDENT ROBAK: Thank you, Mr. Clerk. Senator Kristensen, are you ready to open on the bill?

SENATOR KRISTENSEN: Yes, Madam President, and members of the Legislature, LB 892 is a clean-up bill of sorts. It deals with when you want to change your name. I'm breathing a little hard because that's a long run, Senator Chambers. I thought your office was a long way. Senator Landis's is even further. And I may have lost 30 pounds but I need another 50, so. When you have your name changed you have to publish notice and give people, and doctor of the day, and give people notice of the change that you want to do. The present law says that you should publish for 30 days and those 30 days can be interpreted to mean that you publish each time or each day for 30 days if you have a newspaper that publishes daily. So what I do is ask for publication once for each week for four consecutive weeks. Madam President, I would appreciate if this bill would be advanced while I catch my bill...or my breath and Senator Lindsay would be glad to discuss this bill for just a moment. Thank you.

PRESIDENT ROBAK: Senator Lindsay.

SENATOR LINDSAY: If I could ask Senator Kristensen some questions. (Laughter.)

PRESIDENT ROBAK: Senator Kristensen.

SENATOR KRISTENSEN: Just remember, Senator Lindsay, you do come later. Yes, Senator Lindsay.

SENATOR LINDSAY: Did you catch your breath yet?

SENATOR KRISTENSEN: No.
